How to purchase a reloadable Gautrain Card:

- The card itself costs ZAR 17,00 and the fare from O. R. Tambo International Airport to Sandton is ZAR 158,00
- A Gautrain Card allowing for a return trip from the airport to the Conference venue would therefore cost: ZAR 333,00 (ZAR 158,00 + 158,00 + 17,00).
- This amount corresponds to approximately USD 22.
- Gautrain Cards can be bought at the ticket vending machines or the ticket office at every Gautrain station.
- The most convenient way to buy the Gautrain Card is to visit the dedicated Gautrain kiosk in the international arrivals hall.
- To buy your Gautrain Card through a ticket vending machine, you should choose "Pay- As-You-Go." The amount to be uploaded is ZAR 333,00 a return trip.

How to use the ticket vending machine (TVM)

The TVMs are similar to an ATM bank terminal and accept cash and bank cards. TVMs can be used to purchase a Gautrain Card, top-up pay-as-you-go value, purchase a Train Pass and to view the last four transactions on your Gautrain Card. So avoid the queues at the Ticket Office and give the TVM a go!

Step 1: Select "Buy Gautrain Card" on the touch screen or place Gautrain Card onto the card reader

Step 2: Select a Product* or Pay-As-You-Go

Step 3: Pay-As-You-Go** users select amount to load on card

Step 4: Select payment method: "Cash" or "Bank Card"

Step 5: Follow instructions to insert Bank Card or Cash

Step 6: Collect new or loaded Gautrain Card from slot or take from the card reader

* Regular travellers using the same two stations can save money by selecting a Weekly or Monthly Travel Product.
** Unused Pay-As-You-Go value will expire three years from date of last use.

Travelling outside of the Gautrain Operational hours: (before 05:00 and after 20:30)

Should you arrive or depart outside the Gautrain Operational Hour, we recommend you book a shuttle transfer via the preferred transport service provider. Bookings can be made prior to arrival or departure with the transport company.
